Contents

Dedication	1
Foreword	3
Preface	5
Chapter-1: Introduction	7
Chapter-2: History of Entomophagy	15
Chapter-3: Significance of Entomophagy	19
Chapter-4: Entomophagy : Humam Culture and Myth	39
Chapter-5: Entomophagy : A Global Scenario	45
Chapter-6: Nutritional Value of Insects	67
Chapter-7: Insects as Animal Feed	89
Chapter-8: Industrial Aspects of Entomophagy	95
Chapter-9: Insect Based Recipes	113
Chapter-10: Food Quality and Food Safety	129
Chapter-11: Research, Development & Future of Entomophagy	139
Chapter-12: Conclusion	149
List of Tables	155
References	157
Insect Index	179
AZRA Publications	187

About the Authors

Dr. S.K. Shrivastava born on 1952, did M.Sc. in 1974 & Ph.D. in 1983 in Zoology from Pt. Ravishankar Shukla University, Raipur. Started career as research fellow in M.P. Rice Research Institute, Raipur & later joined IGKV, Raipur. Published above 100 research publications, 5 books/book chapters & several review papers. He is a Founder Member of AZRA, India. Conferred AZRA Fellowship Award in 1999, Dr. Anand Prakash Award in 2003 & ICAR Award-2013 for Developing Model of Extension Education & Technology Application. Currently, Dr Shrivastava is posted as Professor at Pt. S.K.S. College of Agriculture, Rajnandgaon-491441, Chhatisgarh.

Prof. Joseph Allotey was born on 1951, completed M.Sc in 1982 & Ph.D. in 1986. He started in 1978, Accra Polytechnic; worked at Rivers State Univ., Nigeria; Univ. of Ghana; Principal Lecturer: Insect ecology, ICIPE, Kenya; Prof. and Chair, Res. & Pub., Faculty Sci., Univ. of Botswana. Co-ordinator, mopane worm research; which includes publications like Proc. 1st Mult. Disc. Symp. Phane; 5 Tech. Bull.in English, Setswana and Kalanga: Phane harvesting, processing and storage, Street food vending, Moulds and Mycotoxins in foods, Post harvest technology, Business sense in the Phane & Phane, its exploitation and conservation. He has over 200 publications including 6 books, 10 book chapters, and over 55 refereed journal articles.

Dr. Anand Prakash born on 1952, completed M.Sc. (Zool.) in 1974 and Ph.D. in 1985. Dr Prakash initiated his academic carrier as Scientist -1 in 1977 at CRRI, Cuttack & served in different capacities as Sr. Scientist, Principal Scientist, Head, Division of Entomology and even Acting Director of the Institute and retired as Head of Division of Crop Protection, CRRI, Cuttack. He published over 200 research papers and 19 books and guided 10 Ph.D. students & also completed 4 EAPs. Dr. Prakash is the Founder of AZRA & its General Secretary since 1989 & Managing Editor of Journal Applied Zoological Researches since 1990.

Dr. Jagadiswari Rao born on 1948, completed her M.Sc. (Zool.) in 1972 & Ph.D. in 1990. Dr. Rao retired as Principal Scientist from Central Rice Research Institute, Cuttack. Dr. Rao has special training on rice protection from Kobe, University, Japan. She has published over 200 research papers and seventeen reference books in the field of plant protection. She is the founder of AZRA and serves as its Vice President since 1989 till-date. She has about 40 years of research experience on rice pest especially on rice mites, rice storage insects, botanical pesticides and interaction of rice nematodes and pathogenic fungi. Dr. Rao guided 4 Ph. D. students.
