Dear Editor

In the Jul/Sep issue of the journal, the article titled: Cancer survival in Cali, Colombia: A population-based study, 1995-2004. *Colomb Med.* 2014; 45(3): 110–116 contained one error.

On page 111, under sub-section: Definition of event, beginning and ending date, the following statement is incorrect: “with follow-up to 2006.” *The correct sentence should have read: “with follow-up to 2009.”*
